

Here at the Historic Wakefield Barn, we are truly honored to be a part of your journey in planning your perfect wedding day.

Our venue, with its timeless elegance and impeccable service, offers a setting that we believe will help make your celebration both unforgettable and extraordinary.

For a limited time, we are offering a **reduced rate of 20%** on all Friday and Sunday wedding bookings throughout 2025. Should this special opportunity align with your plans, we would be honored to host you at our venue for a tour where we can discuss all our included amenities and share how we can help create a seamless and beautiful wedding day.

More information about our services can be found at our 'Included Amenities & Beverage Packages' page and FAQ's page.
